

Hello Raintree Parents!

I am Rowan Plinsky and I have been teaching swim lessons for about 8 years. I am 21 now, but I started teaching swim lessons to younger swimmers when I was about 13, at the time I was competing and teaching with the Lawrence Aquahawks swim team. More recently, I taught swim lessons and coached older swimmers for Ad Astra Area Aquatics, where I got Red Cross certified to be a swim coach. Currently I am a lifeguard at Camp Raintree and at the primary pools. Most of the students at Raintree right now know my name, or at least recognize me as a lifeguard. I have had a chance to meet and work with so many of our awesome students, I would love to offer swim lessons to any families that are interested.

I am flexible to work with the time frame of any families that are interested, but I usually recommend that lessons be 45mins to an hour. As far as I know, the pools will be available on Mondays and Wednesdays after camp.

I am charging \$20 per half hour, and part of that goes to supporting Raintree in maintaining our gorgeous pools. I also am happy to work with up to 3 students at a time if siblings or friends would live to swim together.

Parents are welcome to stay and watch, or you can just drop the kids off and I will have them ready when you pick them up.

Feel free to reach out to me with any questions! my email is: Rowan.Plinsky@gmail.com and my phone number is 785-727-0440
