Camp Raintree 2022

Located on 14 acres with a fishing pond, campsite, outdoor amphitheater and one-mile running path, Camp Raintree offers students memorable summertime experiences unmatched anywhere in Lawrence.

Camp activities include campouts each weekend, fishing and boating on the Raintree Pond, outdoor sports and cooperative games, daily dips in the Raintree pools and creative arts instruction.

Library time is scheduled each day so students can research a topic of interest or curl up in a comfy chair and read a good book.

Special camp events such as Bring-Your-Wheels Day, Iron Kids Triathlon, Camp Carnival, and Independence Day Parade are scheduled throughout the summer session.

Campers may either bring either a sack lunch or eat Raintree lunch from our lunch buffet. Snacks are provided by Raintree throughout the day in addition to recipes made by the campers themselves.

Camp Raintree 2022 Tuition and Fee Schedule

Session: Wednesday, June 1 - Friday, July 29

REGISTRATION ELIGIBILITY

Camp Raintree is specifically designed for the elementary child. The youngest camper must have completed first grade, and the oldest camper must have completed fifth-grade. Students who attended middle school are not candidates for camp.

- Registration is on a first-come, first-served basis beginning Feb. 16, with priority given to campers who are registered in an all-day program for the complete summer session.
- Camp Raintree is expected to be full again this summer so do not delay in returning the application and required paperwork. Late registrants may incur a one-week delay start date.

Note: "Registered" means that the Application Form, \$60 fee, appropriate tuition payment AND required papers have been received and approved by Raintree.

COVID POLICIES

Our current COVID quarantine and isolation policies are on our web site and will be updated to keep up with recommended guidance and mandates. All campers will need to have signed consent for antigen testing to be done at Raintree in the case of exposure or for COVID symptoms. Details and the consent form are linked in the required paperwork.

TUITION

- The most economical rate is the complete summer session attending full days.
- This summer tuition is divided into three payments paid in installments due at the time of registration, April 1, and May 1. Registrations after initial installment dates above will require past payments paid with registration in order to be current. Contact accounts@raintreemontessori.org with payment questions.
- Once a space is confirmed, no refunds or reduction of schedule can be made. There are no make-up days or deductions to the tuition payments for days missed.
- Campers may bring their own lunch or purchase Raintree lunch for the summer session. (See chart for rates.)
